Team Run Wild California 2018

for the San Francisco Marathon!

Join runners from around the world at the 41st San Francisco Marathon July 29, and raise money to protect California's amazing natural heritage. As a member of *Team Run Wild California* you get a free bib and commit to raising funds toward our \$5,500 goal. (You set up a page on our Crowdrise fundraiser site, and we'll split proceeds with your favorite local conservation organization!)

For more information, visit cal-ipc.org/RunWild2018. Our fundraiser campaign page is <https://www.crowdrise.com/o/en/campaign/run-wild-california>. Contact Doug Johnson at dwjohnson@cal-ipc.org or (510) 843-3902 x302 with any questions. We look forward to running wild with you!

Team Run Wild California is organized by the non-profit California Invasive Plant Council. Cal-IPC works with land managers across California who care for wildlife habitat and natural resources. See www.cal-ipc.org to learn more.
