Open Space District

Directions to the Rancho San Antonio Annex

From Highway 280, take Foothill Expressway southbound. Turn right on Cristo Rey Drive. At the traffic circle, take the second right to continue on Cristo Rey Drive. Turn left into the Rancho San Antonio County Park entrance. Bear right after entering the park gates. Follow the paved road down to the lower parking lot. Pass the public restrooms and drive around the partially closed gate marked "Service Vehicles Only."

Continue on the paved road, over the hill. You will pass a small unpaved permit parking area on the right and the driveway to the Foothills Field Office on the left. Keep going straight.

Make a sharp right (almost a U-turn) at the junction of the road that leads to Deer Hollow Farm. Drive for a short distance and turn left onto the driveway for the small brown building that looks like a private home above you on the hillside. This is the Annex. If parking is not available in the paved area at the top, you may need to park in the grass areas at the base of the driveway.

If you arrive at Deer Hollow Farm, you missed the sharp right turn. Turn around and go back, looking on your left for the Annex.

The telephone number at the Annex is (650) 691-2166. Note that this facility is not staffed on a regular basis. For routine District business, call the District's administrative office at (650) 691-1200.

The speed limit in the park is 15 mph, and 5 mph when near pedestrians.

Allow 15 minutes to drive from the park entrance to the Annex.
