

Klamath Alliance for Regional Invasive Species Management

Working together to manage invasive species in California's remote NW corner

Tanya Chapple, Mid Klamath Watershed Council

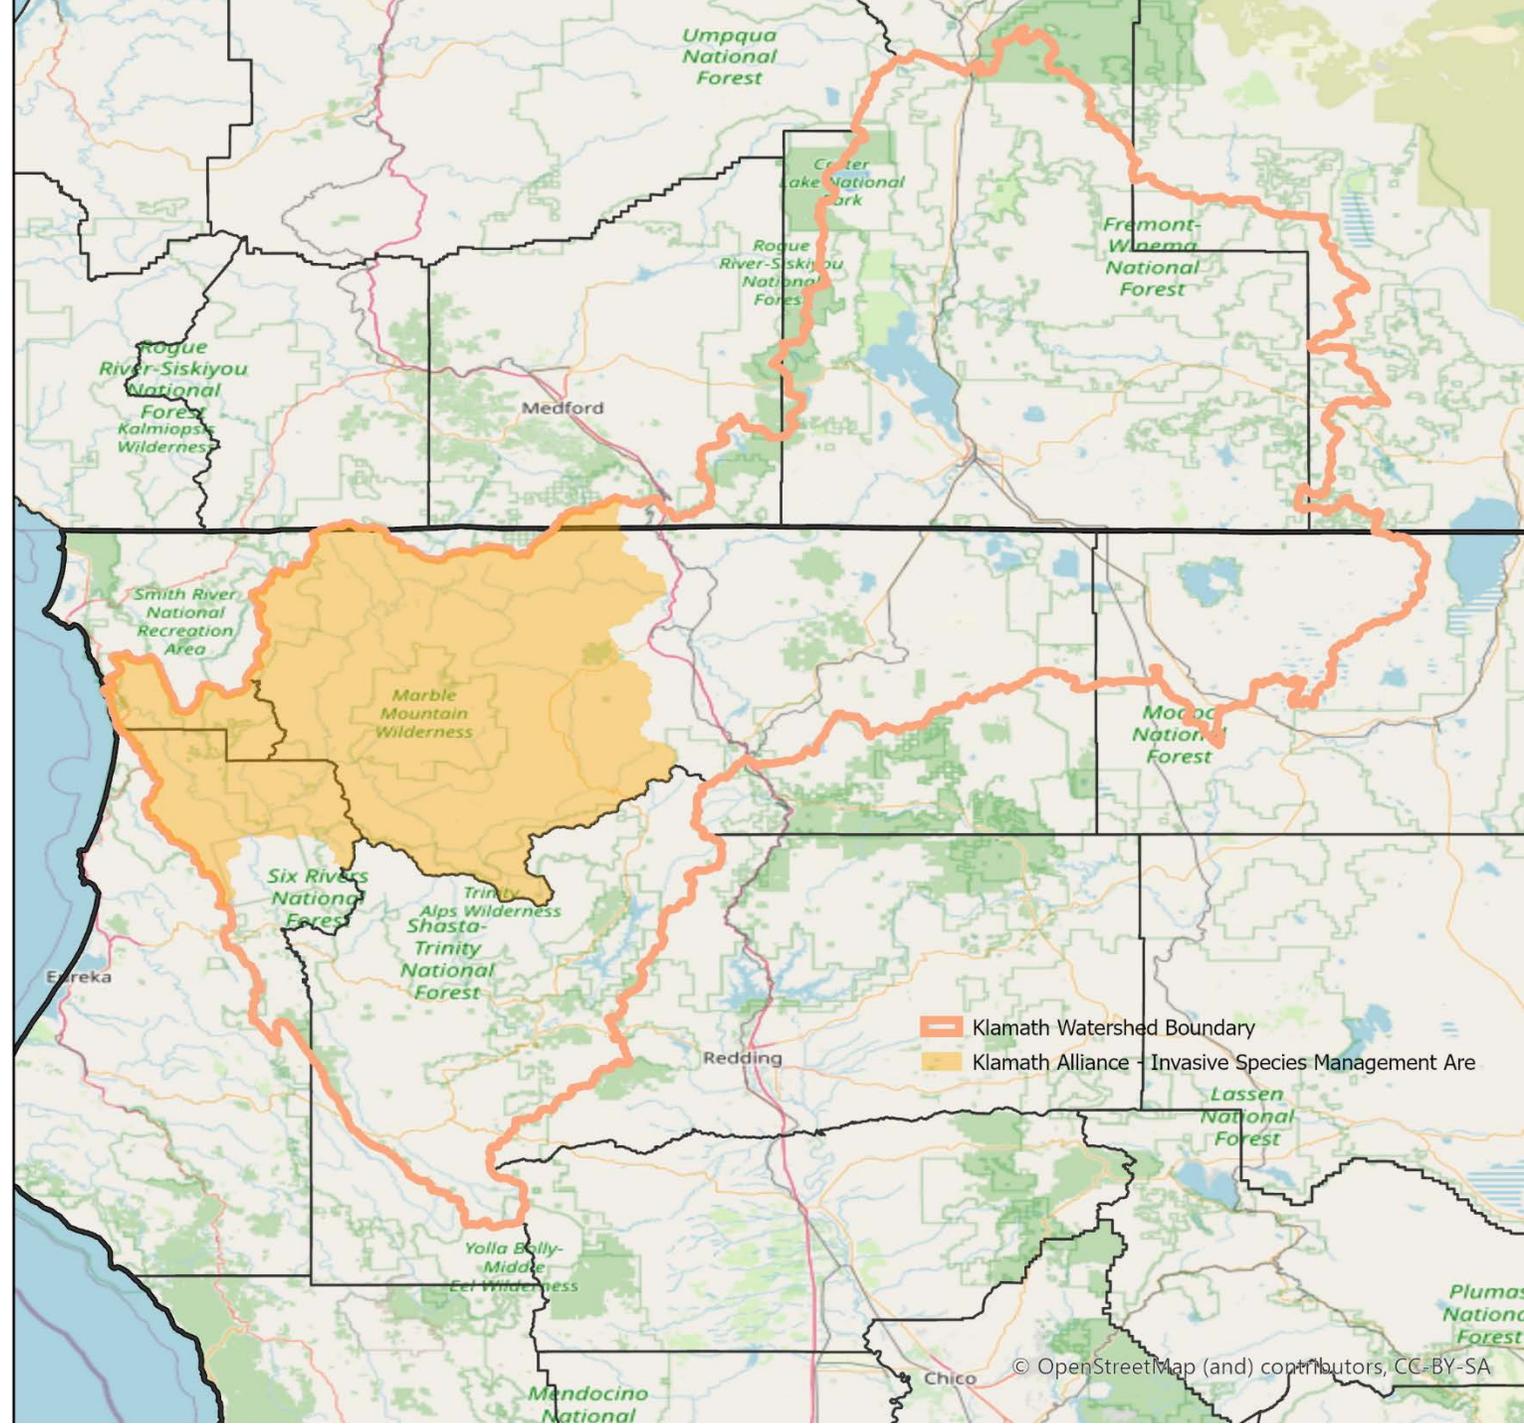

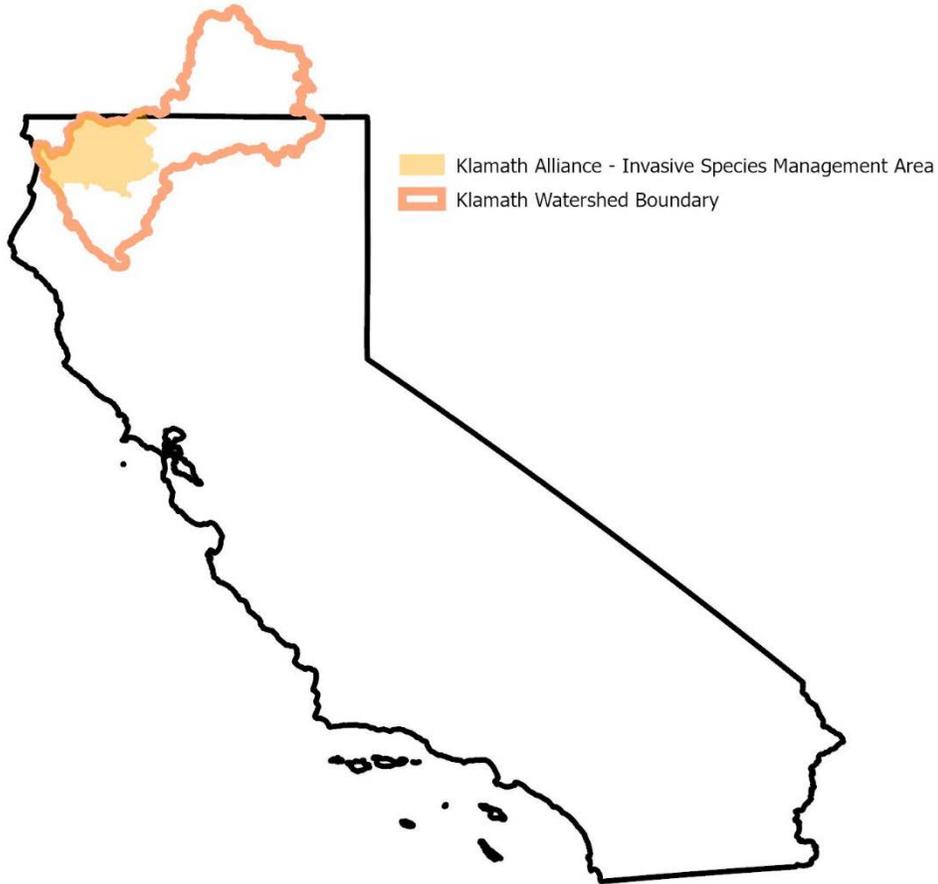

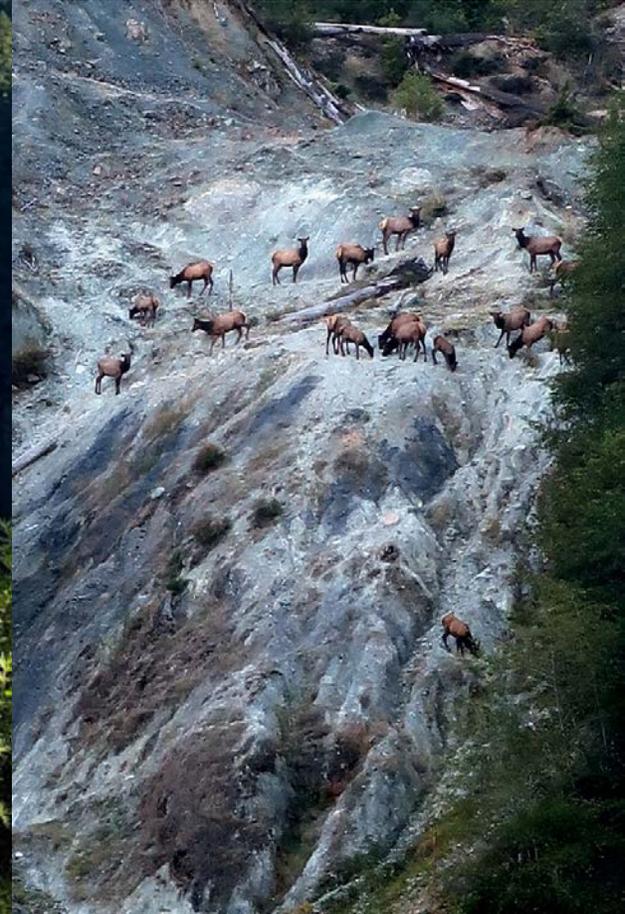

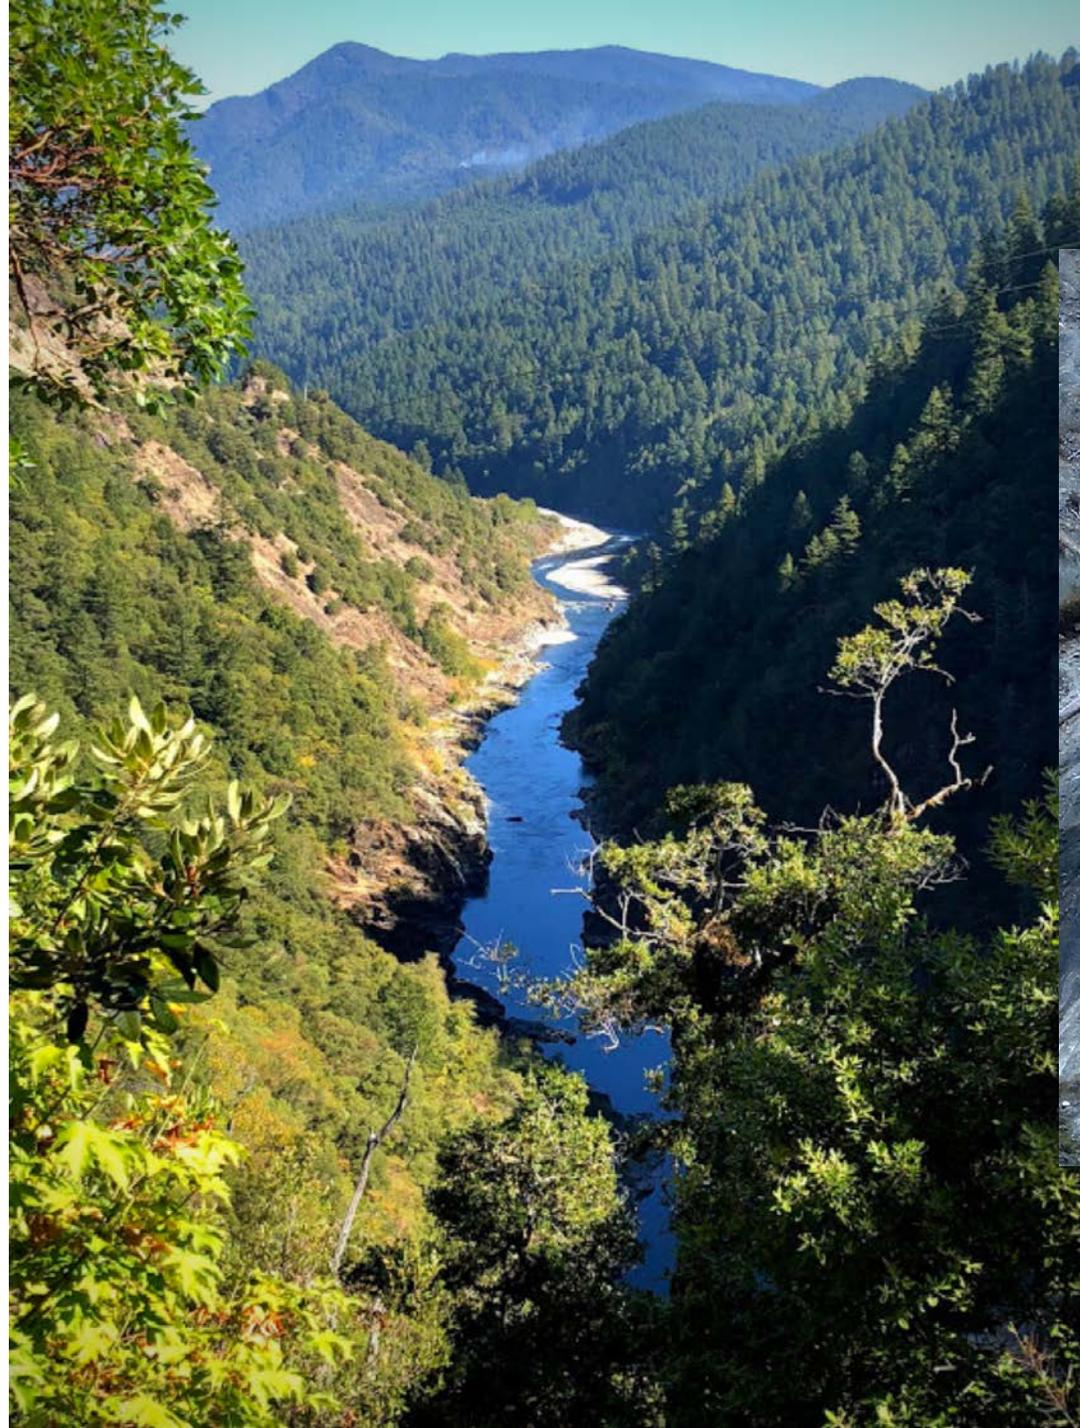

Who we are

- Mid Klamath Watershed Council
- Salmon River Restoration Council
- Yurok Tribe
- Hoopa Tribe
- Karuk Tribe
- Klamath National Forest
- Six Rivers National Forest
- California Department of Transportation
- Quartz Valley Indian Reservation
- Scott River Watershed Council
- Siskiyou County Resource Conservation District

Where we are

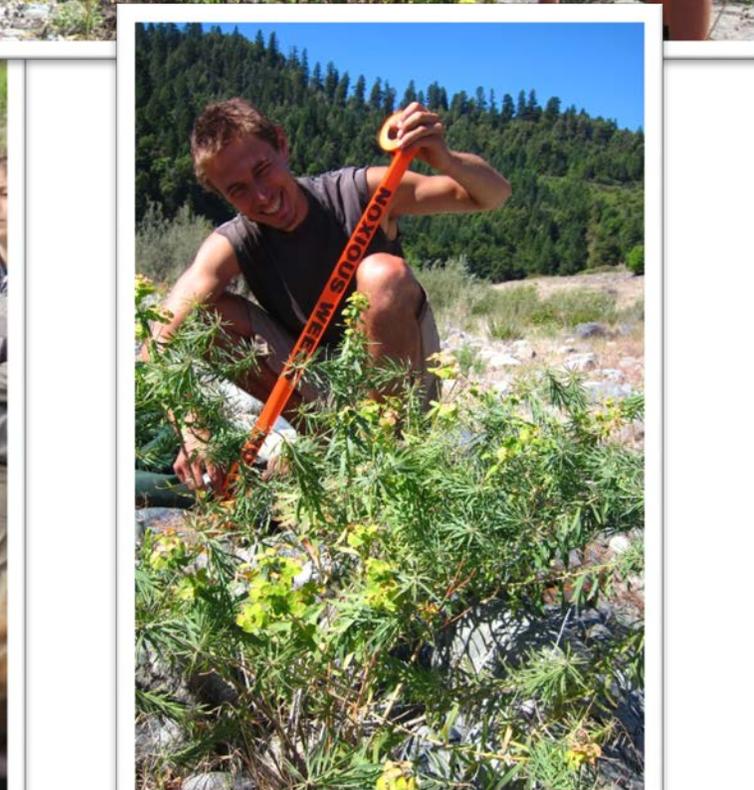

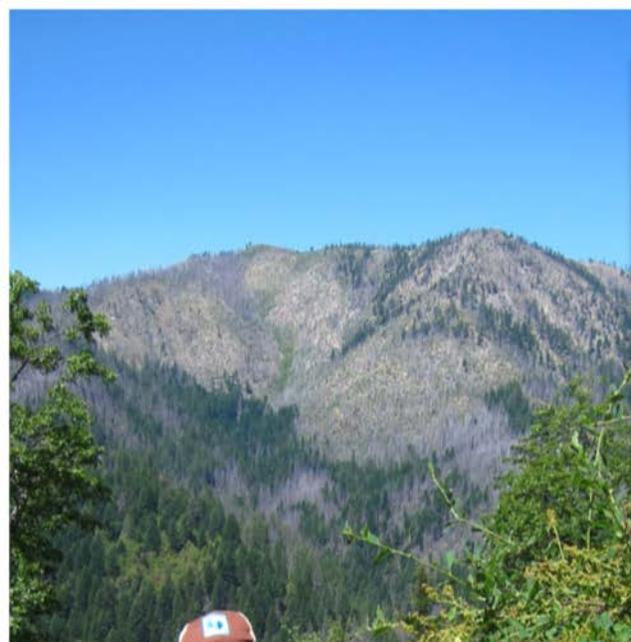

A scenic view of a suspension bridge over a river. The sky is blue with scattered clouds, and a double rainbow is visible. The bridge has a white railing and a paved road. The surrounding landscape is lush with green trees and mountains in the background.
