

Cal-IPC 30-Year Anniversary Symposium 2021

Event Schedule

Tue, Oct 26, 2021

8:00am

Statewide WMA Meeting

🕒 8:00am - 10:30am, Oct 26

The annual meeting of the state's Weed Management Areas, with updates from CDFA, presentations on WMA projects, and training on IPM, planning, mapping, and reporting.

[1.5 "Other" DPR CE credits - take quiz after session]

🗣️ Speakers

Michelle Dennis Branch Chief, Integrated Pest Control, California Department of Food and Agriculture

David Kratville Senior Environmental Scientist/State Weed Coordinator, California Dept. of Food and Agriculture

Robert Price CDFA Seed Lab

Kari Osegueda Integrated Pest Control GIS Analyst, California Dept. of Food and Agriculture

Matt Major Environmental Specialist, Orange County Parks

Shani Pynn Senior Plant Restoration Ecologist, Riverside-Corona Resource Conservation District

Brian Glenn IPM Unit Supervisor, Orange County Public Works/OC Agricultural Commissioner

LeeAnne Mila Deputy Agricultural Commissioner, El Dorado County Department of Agriculture

Patrick Hoffman Agricultural Inspector, Humboldt County Department of Agriculture

Mary Fee Executive Secretary, WA State Noxious Weed Control Board

Emily Bell Coordinator, Florida Invasive Species Partnership

Linda Rohleder Coordinator, Lower Hudson (NY) Partnership for Regional Invasive Species Management

11:00am

Career Panel

🕒 11:00am - 12:00pm, Oct 26

Designed for students and early-career professionals. Hear advice and input from people in different areas of the conservation field.

🗣️ Speakers

Harry Sandoval Natural Resources Manager, Riverside County Habitat Conservation Agency

Joey Algiers Restoration Ecologist, National Park Service

Shelley Pneh Ecologist, Grassroots Ecology

Marcos Trinidad Center Director, Audubon Center at Debs Park

Elise Gornish Extension Specialist-Ecology, management, and restoration of rangelands, University of Arizona

1:00pm

Orientation to the Symposium and Weed Management

🕒 1:00pm - 2:30pm, Oct 26

New to the field? Never been to the Symposium before? This is your chance to get oriented and get your questions answered. Hear about work in the field (mapping, control, monitoring) fit together with work in the and office (planning, tracking, reporting). Understand what types of research are being done in academia and what types of management are happening in the field. Our hope is to set you up for getting

the most out of all the information on tap at the Symposium!

Speakers

Doug Johnson Executive Director, California Invasive Plant Council

Steven Addison CIVICORPS

Sarah Godfrey Chief Executive Officer, Map The Point

3:00pm

Herbicide Laws and Regulations

🕒 3:00pm - 5:00pm, Oct 26

Updates and training on laws and regulations concerning herbicide use in California, designed to provide 2 hours of continuing education credit for DPR licensed applicators. Moderated by LeeAnne Mila, El Dorado County Dept. of Agriculture.

Moderated by Scott Oneto, UC Cooperative Extension
2 Hr DPR CE "Laws and Regs" credit. Exam posted after session.

ISA Credits available TW-2.00, CA-2.00, MS-2.00, US-2.00, BCMAP-2.00
Register for credit with link on conference home page

Speakers

Beau miller Corteva

LeeAnne Mila Deputy Agricultural Commissioner, El Dorado County Department of Agriculture

Brandon Stark Director, Center of Excellence on Unmanned Aircraft System Safety, University of California

Catherine Bilheimer Environmental Scientist, California Department of Pesticide Regulation

4 Subsessions

● Understanding Herbicide Labels and How to Use Them

🕒 3:00pm - 3:30pm, Oct 26

- **Common Errors in Applying Herbicides**

🕒 3:30pm - 4:00pm, Oct 26

- **Drone Regulations and Safety**

🕒 4:00pm - 4:30pm, Oct 26

- **PRESCRIBE: An Online Database for Protection of Endangered Species from Pesticides**

🕒 4:30pm - 5:00pm, Oct 26

Wed, Oct 27, 2021

8:30am

Welcome and Cal-IPC Update

🕒 8:30am - 9:00am, Oct 27

🗣 **Speaker**

Doug Johnson Executive Director, California Invasive Plant Council

9:00am

Session 1: Special Session - Expanding the Community in Conservation

🕒 9:00am - 10:30am, Oct 27

Moderator: Josie Bennett, Restoration Director, Laguna Canyon Foundation

🗣 **Moderator**

Josie Bennett Restoration Director, Laguna Canyon Foundation

🗣 **Speakers**

Shelana deSilva Policy and Advocacy Strategist, SdS Consulting

Amy Lethbridge Chief of Staff, Mountains Recreation and Conservation Authority, Community Nature Connection, National Association for Interpretation

Trina Cunningham Tribal Lands, Water, and Fire Consultant, Contractor

4 Subsessions

- **Why Justice, Equity, and Belonging Matter in Environmental Restoration Work**
🕒 9:05am - 9:20am, Oct 27
- **Integrating JEDI Principles into Conservation**
🕒 9:20am - 9:35am, Oct 27
- **Traditional Ecological Knowledge (TEK) in Conservation**
🕒 9:35am - 9:50am, Oct 27
- **Panel Discussion**
🕒 9:50am - 10:30am, Oct 27

11:00am

Workshops on Expanding Community in Conservation

🕒 11:00am - 12:10pm, Oct 27

Join workshops to dig deeper into concepts of expanding community.
Note that two workshops run 11-12, and two run 11:10-12:10.

4 Subsessions

- **JEDI in Practice in Conservation Organizations**
🕒 11:00am - 12:00pm, Oct 27
- **Integrating TEK and Working with Tribal Partners**
🕒 11:00am - 12:00pm, Oct 27
- **Justice, Equity, Diversity & Inclusion Basics**
🕒 11:10am - 12:10pm, Oct 27
- **The History of Conservation and Social Justice**
🕒 11:10am - 12:10pm, Oct 27

1:00pm

Session 2: Big Problems and Big Solutions in Invasive Plant Management

🕒 1:00pm - 2:00pm, Oct 27

Moderator: Jason Giessow, Dendra Inc.

1.0 "Other" DPR CE credit - take quiz after session

🗣️ Speakers

Adam Lambert Associate Researcher, UC Santa Barbara

Robert Fitch PhD Student, University of California, Santa Barbara

Brian Owens Marine Biologist, California Department of Fish and Wildlife

3 Subsessions

- **Leveraging Partnerships to Advance Giant Reed (*Arundo donax*) Removal and Restoration in the Santa Clara River**
🕒 1:00pm - 1:20pm, Oct 27
- **Investigating Drivers of Plant Abundance and Community Structure on Fuel Breaks**
🕒 1:20pm - 1:40pm, Oct 27
- **Controlling an Early Detection of *Caulerpa prolifera* in Newport Bay**
🕒 1:40pm - 2:00pm, Oct 27

2:30pm

Session 3: Early Detection Rapid Response

🕒 2:30pm - 4:30pm, Oct 27

Moderator: Gina Darin, Senior Environmental Scientist, California Department of Water Resources

1.5 "Other" DPR CE credit - take quiz after session

🗣️ Speakers

Kate Blood Program Manager - Weed Management, Department of Environment, Land, Water and Planning, Victoria, Australia

Rachel Kesel Conservation Management Specialist, Golden Gate National Parks Conservancy

Jane Reppun Beachy Natural Resources Conservation Manager, Army Natural Resources Program on O'ahu & University of Hawai'i

Alex Stubblefield Program Manager, PlantRight

Jutta Burger Science Program Director, California Invasive Plant Council

Robert Price CDFA Seed Lab

5 Subsessions

- **Raising Awareness and Building Capability to Manage Early Invader Weeds in Victoria, Australia**

🕒 2:30pm - 2:50pm, Oct 27

- **Cycles of EDRR on Mt Tamalpais**

🕒 2:50pm - 3:10pm, Oct 27

- **Devil to Pay: Detection and Ten Years of Management of *Chromolaena odorata* (Devil Weed) in Hawai'i.**

🕒 3:10pm - 3:30pm, Oct 27

- **Building Continuity Across State Plant Lists: Predicting Invasion Risk of Horticultural Plants.**

🕒 3:30pm - 3:50pm, Oct 27

- **Weed Alerts and Invasive Plant Updates for 2021**

🕒 3:50pm - 4:20pm, Oct 27

4:30pm

Poster and Lightning Talk Session I

🕒 4:30pm - 5:30pm, Oct 27

📍 Scroll down to view each presentation

View all 9 Posters/Lightning Talks labeled with "DPR CREDIT" **and** take quiz posted after session (in session Chat) for 1 HR DPR CE credit.

🗣 **Speakers**

Jennifer Perez

Erin Bishop Outreach Coordinator, Oahu Invasive Species Committee

Taylor Edwards M.S. student, California State Polytechnic University, Pomona

Alex Stubblefield Program Manager, PlantRight

Don Thomas Integrated Pest Management Specialist, San Francisco Public Utilities Commission

Jenna Allred Natural Lands Manager, Santa Lucia Conservancy

Charlie Braman University of California, Santa Barbara

Elizabeth Brusati Senior Environmental Scientist (Specialist), California Department of Fish and Wildlife

Sean Carey Staff Research Associate, UCSB, Marine Science Institute

Gina Darin Senior Environmental Scientist (Supervisory), California Department of Water Resources

Susannah Ferson Director, Natural Resource Division , Redwood Community Action Agency

Carla Avila RCAA

Thomas Getts Advisor, UCCE

Evan Hobson Staff Research Associate II, UC Santa Barbara

William Neill business, Riparian Repairs

Rebecca Nelson UC Davis

Cynthia Powell Executive Director, Calflora

Katie Pearson Data Manager, Arizona State University

Joanna Tang Doctoral student, University of California, Santa Barbara

19 Subsessions

- **Poster - The Removal of Invasive Woodland Leads to Community Shifts in Arbuscular**

Mycorrhizal Fungi

🕒 4:30pm - 5:30pm, Oct 27

- **Poster - Exorcists of Invasive Plants, Devil Weed Crew - Oahu, HI *DPR CREDIT***
🕒 4:30pm - 5:30pm, Oct 27
- **Poster - Proactive Planting to Preclude Persistent Pest Plants *DPR CREDIT***
🕒 4:30pm - 5:30pm, Oct 27
- **Poster - The Impact of Small Vertebrate Consumers on Community Assembly in Degraded California Sage Scrub**
🕒 4:30pm - 5:30pm, Oct 27
- **Poster - Keeping a Pulse on the Sale of Invasive Plants in California Retail Nurseries *DPR CREDIT***
🕒 4:30pm - 5:30pm, Oct 27
- **Poster - Re-evaluating the Test of the Natural Herbicide Weed Slayer for Management of Invasive Plants *DPR CREDIT***
🕒 4:30pm - 5:30pm, Oct 27
- **Lightning Talk - Managing to Promote Biodiversity Across Property Lines in California Central Coast**
🕒 4:30pm - 5:30pm, Oct 27
- **Lightning Talk - Identifying Native Plants that Promote Riparian Insect Community Recovery After Giant Reed (*Arundo donax*) Removal**
🕒 4:30pm - 5:30pm, Oct 27
- **Lightning Talk - Celebrate California Invasive Species Action Week**
🕒 4:30pm - 5:30pm, Oct 27
- **Lightning Talk - Avian Responses to Riparian Restoration on the Santa Clara River.**
🕒 4:30pm - 5:30pm, Oct 27
- **Lightning Talk - Early Detection Rapid Response Invasive Plant Removal Project Targeting Knotweeds, *Arundo*, and Shiny Geranium on the Far North Coast of California *DPR CREDIT***
🕒 4:30pm - 5:30pm, Oct 27
- **Lightning Talk - Case Study: The Mystery of Perennial Pepperweed and Chlorsulfuron in Sierra Valley *DPR CREDIT***
🕒 4:30pm - 5:30pm, Oct 27
- **Lightning Talk - Pollinator Response to the Removal of Giant Reed (*Arundo donax*) and Restoration Strategies in a Southern California Riparian System *DPR CREDIT***
🕒 4:30pm - 5:30pm, Oct 27
- **Lightning Talk - *Ailanthus* Control Methods *DPR CREDIT***
🕒 4:30pm - 5:30pm, Oct 27
- **Lightning Talk - The Effects of *Vicia villosa* Invasion on Grassland Plant-Pollinator Interactions**
🕒 4:30pm - 5:30pm, Oct 27
- **Lightning Talk - Tracking Change Over Time in the Calflora Mapping Tool Using History Stacks *DPR CREDIT***
🕒 4:30pm - 5:30pm, Oct 27
- **Lightning Talk - A Public Data Resource for Tracking Invasive Plants: the Consortium of California Herbaria's CCH2 Portal**
🕒 4:30pm - 5:30pm, Oct 27
- **Lightning Talk - Increasing the Diversity of People and Ecosystems Through Urban Restoration Projects**

🕒 4:30pm - 5:30pm, Oct 27

- **Lightning Talk - Assessing Chemical Management for the Control of Stinknet (*Oncosiphon pilulifer*)**

🕒 4:30pm - 5:30pm, Oct 27

Thu, Oct 28, 2021

8:30am

Session 4: Special Session - Global Biodiversity and Weed Management

🕒 8:30am - 10:30am, Oct 28

Moderator: Metha Klock, Assistant Professor, San Jose State University

1.0 "Other" DPR CE credit - take quiz after session

🗣️ Speakers

Metha Klock Assistant Professor, San Jose State University

Arne Witt Regional IAS Coordinator (Africa, Asia and Caribbean), CABI

Jodi Romyn Director, Finance and Operations, Invasive Species Council of BC

Anibal Pauchard Professor, Universidad de Concepción

Elizabeth Wandrag Lecturer in Global Change Biology, University of York

Jaco Le Roux Associate Professor, Department of Biological Sciences, Macquarie University, Sydney, Australia

6 Subsessions

- **Plant Invasions and their Management in Africa**

🕒 8:35am - 8:50am, Oct 28

- **Protecting Wild Spaces through Invasive Species Management: A Case Study from British Columbia**

🕒 8:50am - 9:05am, Oct 28

- **Chile and California: What can we learn from comparing plant invasions across regions and hemispheres?**

🕒 9:05am - 9:20am, Oct 28

- **Direct Versus Indirect Effects of Invasive Grasses on Native Plant Diversity**
🕒 9:20am - 9:35am, Oct 28
- **How Soil Microbes Drive and Respond to Plant Invasions in Mediterranean Ecosystems: Insights From Australian Acacias.**
🕒 9:35am - 9:50am, Oct 28
- **Panel Discussion**
🕒 9:50am - 10:30am, Oct 28

11:00am

Session 5: New Mapping Tools

🕒 11:00am - 12:00pm, Oct 28

Moderated by Drew Kerr, Treatment Program Manager, Invasive Spartina Project

1.0 "Other" DPR CE credit - take quiz after session

ISA Credits available: TW-1.00, CA-1.00, MS-1.00, US-1.00, BCMAM-1.00
Register for credit with link on conference home page

🗣️ Speakers

Brooke Mahnken Operations/GIS Specialist, Maui Invasive Species Committee

Emily Burson San Diego Zoo Wildlife Alliance

Josie Lesage Applied Ecologist, Santa Barbara Botanic Garden

3 Subsessions

- **A Tablet-based Data Collection Tool for Invasive Species Mapping. Maui Invasive Species Committee**
🕒 11:00am - 11:20am, Oct 28
- **Drone Imagery and a Simple Spatial Analysis Technique for Long-term Mapping of Stinknet (*Oncosiphon pilulifer*)**
🕒 11:20am - 11:40am, Oct 28
- **Community Scientists Help to Map Post-Fire Recovery on California's Central Coast**
🕒 11:40am - 12:00pm, Oct 28

1:00pm

Session 6: Using Drones for Mapping and Control

🕒 1:00pm - 2:00pm, Oct 28

Moderated by Scott Oneto, Advisor, University of California Cooperative Extension

1.0 "Other" DPR CE credit - take quiz after session

ISA Credits available: TW-1.00, CA-1.00, MS-1.00, US-1.00, BCMAM-1.00
Register for credit with link on conference home page

Speakers

Maggi Kelly Professor and Cooperative Extension Specialist, UC Berkeley, UC ANR

Greg Crutsinger Customer Success Manager - Agriculture, Planet

Troy Gibbs Application Services Contractor, T&T Endeavors LLC, Rantizo

3 Subsessions

- **Making UAVs Part of Your Research Toolkit: Some Common Workflows for Vegetation Mapping**
🕒 1:00pm - 1:20pm, Oct 28
- **Building the Data Pipeline for Managing Drone Layers**
🕒 1:20pm - 1:40pm, Oct 28
- **The Use of Drones for Mapping and Treating the Invasive Weed Phragmites in a Wisconsin Wildlife Preserve**
🕒 1:40pm - 2:00pm, Oct 28

2:30pm

Session 7: Invasive Plants and Native Plant Conservation in California (organized by CNPS)

🕒 2:30pm - 3:30pm, Oct 28

Moderated by Aaron Sims, Rare Plant Program Director, California Native Plant Society

1.0 "Other" DPR CE credit - take quiz after session

Speakers

Laura Riege Restoration Manager, The Nature Conservancy

Naomi Fraga Director of Conservation Programs, California Botanic Garden

Marina LaForgia Postdoctoral Fellow, UC Davis & University of Oregon

3 Subsessions

- **Restoring Gaviota Tarplant in a Sea of Ice Plant: Challenges and Opportunities**
🕒 2:30pm - 2:50pm, Oct 28
- **Post-Fire Surveys for Rare Plants and Invasives in the San Bernardino Mountains**
🕒 2:50pm - 3:10pm, Oct 28
- **Utilizing Pathways of Invader Dominance to Identify Natives of Concern**
🕒 3:10pm - 3:30pm, Oct 28

4:00pm

Poster and Lightning Talk Session II

🕒 4:00pm - 5:00pm, Oct 28

📍 Scroll down to view each presentation

View all 9 Posters/Lightning Talks labeled with "DPR CREDIT" **and** take quiz posted after session (in session Chat) for 1 HR DPR CE credit.

📣 Speakers

Jennifer Perez

Erin Bishop Outreach Coordinator, Oahu Invasive Species Committee

Taylor Edwards M.S. student , California State Polytechnic University, Pomona

- **Lightning Talk - Tracking Change Over Time in the Calflora Mapping Tool Using History Stacks *DPR CREDIT***

🕒 4:00pm - 5:00pm, Oct 28

- **Lightning Talk - A Public Data Resource for Tracking Invasive Plants: the Consortium of California Herbaria's CCH2 Portal**

🕒 4:00pm - 5:00pm, Oct 28

- **Lightning Talk - Increasing the Diversity of People and Ecosystems Through Urban Restoration Projects**

🕒 4:00pm - 5:00pm, Oct 28

- **Lightning Talk - Assessing Chemical Management for the Control of Stinknet (*Oncosiphon pilulifer*)**

🕒 4:00pm - 5:00pm, Oct 28

Fri, Oct 29, 2021

8:30am

Session 8: Special Session - Invasive Plant Management in California's 30x30 Initiative

🕒 8:30am - 10:30am, Oct 29

Moderator: Doug Johnson, Executive Director, Cal-IPC

ISA Credits available: TW-1.5, CA-1.5, MS-1.5, US-1.5, BCMAM-1.5

Register for credit with link on conference home page

🗣️ Speakers

Christina Sloop CA Dept of Fish and Wildlife

Carrie Brown-Lima Director, New York Invasive Species Research Institute, Cornell University

Andrea Williams California Native Plant Society

Tom Robinson Conservation Lands Network Lead, TOGETHER Bay Area

Dick Cameron Director of Science, The Nature Conservancy, California

6 Subsessions

- California's 30x30 Initiative

🕒 8:35am - 8:50am, Oct 29

- Implications of Climate Change for Invasive Species

🕒 8:50am - 9:05am, Oct 29

- All Things to All People: Opportunities to Deliver on the Promise of 30x30 and "Nature-Based Solutions"

🕒 9:05am - 9:20am, Oct 29

- Tracking Metrics: Lessons from the Conservation Lands Network

🕒 9:20am - 9:35am, Oct 29

- Conserving a Global Biodiversity Hotspot: Aligning 30x30 Goals at the State and Global Scale

🕒 9:35am - 9:50am, Oct 29

- Panel Discussion

🕒 9:50am - 10:30am, Oct 29

11:00am

Discussion Groups / Workshops for Management (concurrent sessions)

🕒 11:00am - 12:00pm, Oct 29

Discussion Group 1: 1 HR Other
Discussion Group 2: 1 HR Other
Discussion Group 3: 1 HR Other
Discussion Group 4: 1 HR Other

6 Subsessions

- **Discussion Group 1 - Managing Grasslands (organized by CNGA)**

🕒 11:00am - 12:00pm, Oct 29

- **Discussion Group 2 - When the Smoke Clears: Controlling Weeds After Wildfire**

🕒 11:00am - 12:00pm, Oct 29

- **Discussion Group 3 - Weed Control Using Herbicides**

🕒 11:00am - 12:00pm, Oct 29

- **Discussion Group 4 - Weed Control Using Non-Chemical Techniques**

🕒 11:00am - 12:00pm, Oct 29

- **Discussion Group 5 - Tracking Weeds in Calflora - Updates and Q&A**

🕒 11:00am - 12:00pm, Oct 29

- **Grant Funding, Grantsmanship, and Building Successful Funding Partnerships**

🕒 11:00am - 12:00pm, Oct 29

1:15pm

Golden Weed Wrench award presentation, in memory of Ken Moore

🕒 1:15pm - 1:30pm, Oct 29

We will present the Golden Weed Wrench to this year's winner, and remember a Cal-IPC great who passed away this year, Ken Moore of the Wildlands Restoration Team out of Santa Cruz.

[Video in Memory of Ken Moore](#)

Moderator: Doug Johnson, Cal-IPC

1:30pm

Session 9: Restoration and Invasive Plants (organized by SERCAL)

🕒 1:30pm - 2:30pm, Oct 29

Moderator: James Mizoguchi, Biologist, Triangle Properties

ISA credits available: TW-1.00, CA-1.00, MS-1.00, US-1.00, BCMAP-1.00

Register for credit with link on conference home page

🗣️ Speakers

Brad Hanson Cooperative Extension Weed Specialist, UC Davis

Sarah Gaffney Graduate Student Researcher, UC Davis

Mark Mazhnyy Masters Student, Cal Poly Pomona

3 Subsessions

- **Herbicide Symptomology Refresher for Restoration Practitioners**
🕒 1:30pm - 1:50pm, Oct 29
- **Plant-Soil Feedbacks: the Benefit of Field-Based Community Level Study in Uncovering Their Role in Restoration**
🕒 1:50pm - 2:10pm, Oct 29
- **Using Plastic Tree Shelters and Mechanical Weeding to Improve Post-Fire Restoration of Highly Invaded Plant Communities.**
🕒 2:10pm - 2:30pm, Oct 29

3:00pm

Session 10: Lessons Learned in Managing Invasive Plants

🕒 3:00pm - 4:00pm, Oct 29

Moderator: Jutta Burger, Cal-IPC

1 HR DPR credit (OTHER). Quiz link provided at end of session.

📣 Speakers

Jason Giessow Principal Ecologist, DENDRA Inc.

Chris McDonald Advisor, University of California Cooperative Extension

Hailey Laskey Preserve Manager, Center for Natural Lands Management

3 Subsessions

- **Giant reed (*Arundo donax*) Control on the San Luis Rey River Watershed from 2000 to 2021- Persistence, Perspective and Patience (Transformation, but Still on the Wheel)**
🕒 3:00pm - 3:20pm, Oct 29
- **Lessons Learned after a Decade of Managing and Monitoring Stinknet (*Oncosiphon pilulifer*) across Southern California**
🕒 3:20pm - 3:40pm, Oct 29

- Challenges Managing the Novel Large-Scale Invasion of Stinknet (*Oncosiphon pilulifer*) Post-Fire on the Santa Rosa Plateau Ecological Reserve

🕒 3:40pm - 4:00pm, Oct 29

4:00pm

Closing

🕒 4:00pm - 4:15pm, Oct 29

🗣️ Speaker

Doug Johnson Executive Director, California Invasive Plant Council

Powered By **Whova**
