

Slaying the Dragon

How Irvine Ranch Conservancy volunteers achieved management success in significantly reducing Sahara mustard (*Brassica tournefortii*) on a site in Orange County, California

Sahara Mustard
Brassica Tournefortii

West Loma March 2015

West Loma April 2014

The Silverado Fire in October and the Bond Fire in December of 2020, swept through the area and a wide control line was scraped by bulldozer along the top of the site.
