

Tracking Regional EDRR Management

NIKKI VALENTINE
CALIFORNIA INVASIVE PLANT COUNCIL
NOVEMBER 12, 2025

Cal-IPC Regional EDRR Targets

- CDFA-rated
- Present in less than 10% of the region
- Under management by most counties in the region

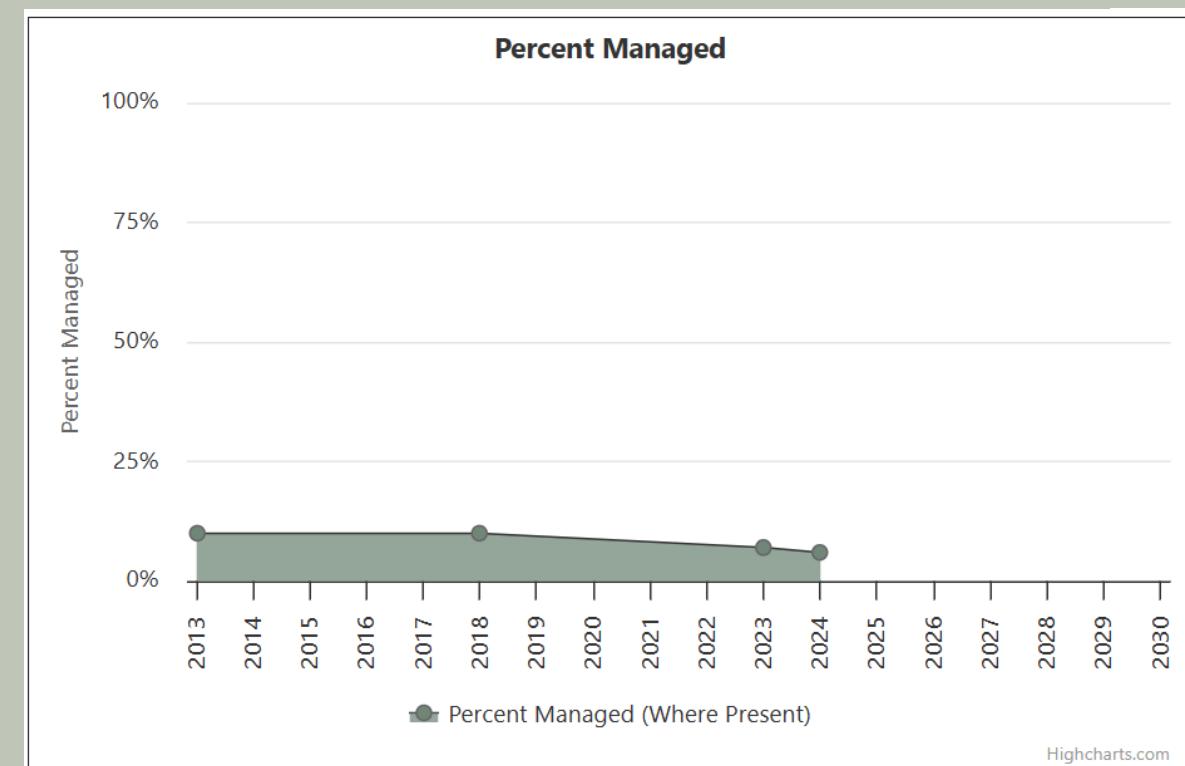

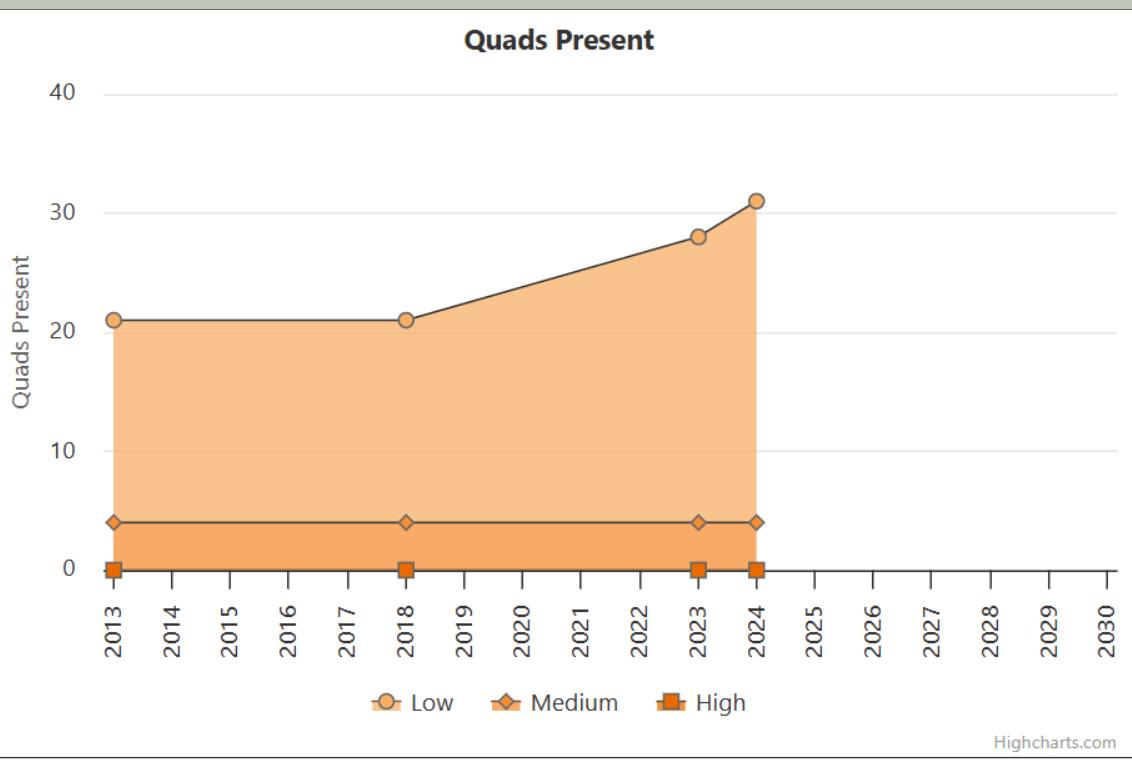

Help track EDRR populations at a landscape level!

- 1. Share records in Calflora** – aim for every EDRR population, every year
- 2. Use history stacking*** – append new records for each visit
- 3. Mark management status*** – and leave details in “Notes” field
- 4. Sign up for email alerts*** – and follow up on new observations

***Training videos and guides** are available at:

www.cal-ipc.org/solutions/mapping/

Ventura County EDRR Management

Ventura County EDRR Management

Species	2013		2018		2023		2024
